

St John's Elmswell

The Lord has called you to be part of his body, the Church!

How is Jesus calling you to be involved as part of his body?

What gift has God given you?

Maybe you only have a little time – but every little helps!

The Christian life is not a solo adventure, but a calling to be part of the body of Christ. Each church member is a loved and valued person with an important role to play according to the gifts with which the Lord has equipped them. Jesus wants us to together build up his body here at Elmswell.

“Now you belong to him...in order that we might be useful in the service to God”
